Waivers and Agreements

These are the agreements a parent or guardian accepts when signing up for any Sedona Camp program. Signing once in the Parent Portal covers every program for the season (August 1 through July 31). To sign, use the online form at sedonacamp.com/waiver, at checkout, or in your Parent Portal at sedonacamp.com/portal.

Liability Waiver and Release

REQUIRED

By enrolling my child in Sedona Camp programs, I understand that participation in outdoor and recreational activities involves inherent risks, including but not limited to physical activity, uneven terrain, and weather conditions. I acknowledge that Sedona Camp LLC is an enrichment and recreational program (not a licensed childcare provider), and I voluntarily accept these risks on behalf of my child. I agree to provide accurate medical and emergency information and understand that while reasonable care and supervision are provided, Sedona Camp LLC is not liable for injuries or incidents that may occur during participation. I understand that program details may change as needed. Photos and media are covered only by the separate, optional photo release.

Code of Conduct

REQUIRED

By enrolling in Sedona Camp, parents and guardians understand that the program is an independent enrichment and recreational camp — not a licensed childcare provider — and that participation in outdoor and group activities involves inherent risks. Parents agree to complete all required forms and provide accurate medical, behavioral, and emergency information prior to participation. Sedona Camp strives to provide a safe, supervised, and positive environment; however, risks are inherent in recreational programs. Families also agree to respectful participation and accept responsibility for following all program guidelines.

Emergency Medical Authorization

REQUIRED

I authorize Sedona Camp staff to provide or seek emergency medical care for my child if needed, and I accept responsibility for any associated medical costs. I confirm the medical and allergy information provided is accurate to the best of my knowledge.

Photo Release

OPTIONAL

I grant permission for my child to be photographed or filmed during Sedona Camp activities, and for those images to be used in promotional materials. This is optional: leaving it unchecked does not affect my child's enrollment.
